FOR UNFORESEEN REASONS

Flexibility to call it off at any time

You've put all the plans in place to make your dream trip a reality. You also know that anything can happen between now and then; and it's important to protect your health and finances.

Travel insurance with Cancel Anytime can help.

What is Cancel Anytime?

If you're worried about having to cancel your trip for a reason that's not covered by a standard Trip Cancellation policy, then an optional Cancel Anytime upgrade can be a smart buy.

Cancel Anytime can reimburse up to 60% of your lost non-refundable trip costs if you cancel your trip for an unforeseen reason* at any time before your departure – even on the day you plan to leave.

What are the requirements for purchasing Cancel Anytime?

- Coverage must be purchased within fourteen (14) days of the initial trip payment date (date and time the trip payment becomes non-refundable)
- Can only be added to a Comprehensive Package or Non-medical Package with Trip Cancellation
- Cannot be purchased within seven (7) days of departure
- Total trip cost per person should not exceed \$50,000 CAD

When could Cancel Anytime help?

Here are some common unforeseeable events where Cancel Anytime may reimburse up to 60% of your non-refundable trip costs.

- Frequent changes to travel advisories and entry requirements for your destination
- You have a scheduling conflict
- Your babysitter fell ill at the last minute
- Bad weather is predicted at your destination
- The concert or event you planned to see is cancelled
- You can't afford the trip after all

Important:

You must provide proof of the unforeseeable event.
